

Wine List

We are proud recipients of a most prestigious Diners Club Platinum Status Award for our wine selection.

*Our guests are most welcome to bring their own wines.
Rest assured there will be no corkage ever.*

Wine Selection

In order to provide you with as much information as possible before finalising your selection, we have added the most recent available gradings from the *Platter's Wine Guide* to each wine.

A significant part of our Platinum Award status is owed to our careful selection of wines. It is a well-known fact that the 'terroir' – the soil, topography and climate – has a profound effect on the grapes producing the wine. It should come as no surprise then that all of our wines originate in the Western Cape – an area renowned for world-class terroir and home to the most revered wine regions in South Africa.
