

Wine List

We are proud recipients of a most prestigious Diners Club Platinum Status Award for our wine selection.

WINE SELECTION

In order to provide you with as much information as possible before finalising your selection, we have added the most recent available gradings from the *Platter's Wine Guide* to each wine. Please understand that our vintages are subject to availability from our wine farms.

A significant part of our Platinum Award status is owed to our careful selection of wines. It is a well-known fact that the 'terroir' – the soil, topography and climate – has a profound effect on the grapes producing the wine. It should come as no surprise then that all of our wines originate in the Western Cape – an area renowned for world-class terroir and home to the most revered wine regions in South Africa.
